

Membership Information

The clubhouse has become the center of activity within the Emerald. It is a place to meet friends and to just relax, play bridge and have lunch. The pool is perfect for families and for junior Olympic racing in the center section. The large deck and patio are used for community and private social functions. The sunroom and the club can accommodate a large number of guests inside and lawn space is available for extra-large functions requiring tents. One thing people most appreciate about their club is that it does not have a formal dining room. Most people moving to The Emerald from other clubs are grateful that they do not have a monthly dining minimum to fulfill.

Club amenities include:

Excellent golf practice facilities

- driving range
- fairway and green side bunkers
- a chipping green and a 11,000-square-foot putting green
