

To our Emerald Junior Golf families,

Because your child has been a part of our golf community in the past, we wanted to share some exciting news with you first. We are evolving our junior offerings this year to launch the **Emerald Junior Development Program (EJDP)**—a brand-new, results-driven pathway designed to help your junior see measurable progress on the course. This season, we are moving to a **yardage-based progression system** for juniors **ages 5–18**. Instead of grouping kids strictly by age, juniors will earn their way back from 25 yards to 250 yards as they improve their scoring and confidence. Our goal is to have your child develop a love for the game of golf, in an organized fun program designed to have measurable metrics for your child to see their improvement.

### **Program Highlights**

- **Performance-Based Growth:** Juniors "level up" to the next yardage marker by shooting a 36 or better over nine holes during our match weeks
- **Small Group Coaching:** We are strictly limiting enrollment to 30 juniors to maintain a ratio of 5–6 players per instructor.
- **The Schedule:** The program runs every Sunday from March 22 through May 17, alternating between skill-building practices and supervised on-course play.
- **Achievement & Recognition:** Every time a junior advances, we celebrate with an achievement certificate and a photo at the scoreboard to keep them motivated.

### **Registration & Pricing**

- **Members:** \$125 per participant

- **Non-Members: \$150** per participant
- **Sibling Discount: \$25** off per kid.

Since we are keeping the groups small to ensure high-quality coaching, we expect these **30** spots to fill up quickly.

**To reserve your child's spot, please contact the Pro Shop at (252) 633-4440 x228**

We look forward to seeing your junior back on the range this March!

Best regards,

**Noah Johnson, Emerald Junior Golf Coordinator**
